

SUPERVISOR OF THE YEAR AWARD AWARDEE

Walter Hicks
Defense Contract Audit Agency

Walter has worked for the Defense Contract Audit Agency for 19 years and is currently serving as the DCAA Lockheed Martin BAE Corporate Audit Directorate's Technical Programs Chief. He leads a team of 10 Technical Specialists that support 320 auditors that work for the Directorate. He is well known for his approachability, his team enjoys working under his leadership, and his customer support is strongly recognized in the contracting community. Over Walter's career, he has contributed to saving billions of dollars for the taxpayers and has worked tirelessly to ensure our warfighters get the goods and services they need when they need them.
